LET'S GET PREPARED FOR UPCOMING JEE MAIN 2024 EXAMS

IIT JEE OVERVIEW OF ALL DETAILS

The National Testing Agency (NTA) has released the 2024 JEE Main exam date on their website, nta.nic.in.

Exam Dates Update: The JEE Main exam for 2024 will be held in two sessions, one in January and another in April. The first session of the NTA JEE Main is scheduled from January 24 to February 1, and the second session 2, is set for April 1 to 15.

Registration Update: To participate in the Joint Entrance Exam, candidates must fill the JEE Main 2024 application form. The registration portal for JEE Main 2024 is activated by the authorities by November 1st. You can go the website:

https://jeemain.ntaonline.in/ to register for JEE Main 2024. The last date for registration is November 30, 2023 for Session 1. The registration of Session 2 starts on 02 February 2024 and ends on 02 March 2024.

Eligibility Update: Only those candidates who have passed the Class 12/equivalent examination in 2022, 2023, or those who are appearing in the Class 12/equivalent examination in 2024, are eligible to appear for JEE (Main) - 2024.

For B.E. / B. Tech. admission passing qualifying examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry/Biotechnology/Biology/ Technical vocational subjects. However, majority of the BE / B Tech courses require Physics, Chemistry and Mathematics as compulsory subjects in qualifying examination. Please refer to latest AICTE handbook to know further about course wise requirement.

Syllabus Update: It is advisable to start preparing for the exam using the JEE Main Syllabus 2024 as a guide. The JEE Main Syllabus for 2024 has many changes from previous years. Few chapters have been deleted and added too. The NTA has also published the JEE Main 2024 syllabus online, along with a new information booklet containing all the examination details. Table below contains important dates for this crucial examination.

Declaration of Result	12 February 2024	25 April 2024

Age Criteria

For appearing in the JEE (Main) - 2024, there is no age limit for the candidates.

NATIONAL TEST ABHYAS

The National Testing Agency (NTA), India's premier autonomous testing organization for conducting entrance examinations for admission in higher education institutions, launched a mobile app called the "National Test Abhyas" - to enable candidates to take mock tests.

Candidates across the country can use the App to access high-quality tests, free of cost, in a bid to be fully prepared for the upcoming JEE (Main), NEET (UG), and other competitive exams. The tests can be easily downloaded and taken offline, thus accommodating candidates with low bandwidth internet connections.

The app works on Android-based and iOS smartphones and tablets and can be downloaded from Google Play Store or App Store. Once candidates download the app, they simply need to sign up or register with some basic details, create a free account, and then start accessing mock tests free of cost for their selected examination(s).

In addition to that NTA has developed an extensive support system at http://nta.ac.in/abhyas/help.

The National Test Abhyas is available on the website: https://www.nta.ac.in/Abhyas

IMPORTANT INSTRUCTION FOR THE CANDIDATES

Candidates are advised to report at the Examination Center well on time i.e. 02 hours before the commencement of the examination.

Eligibility Criteria for Indian Nationals Appearing in JEE (Advanced) - 2024

All the candidates must simultaneously fulfill each one of the following to appear for JEE (Advanced) - 2024.
